8. Time Frame

Students will have a total of 6 months to complete the on-demand content (modules 1 – 7) and successfully pass the multiple-choice exams at the end of each module. After the on-demand content is completed, students will be eligible for the “live” session or “access to experts” which will be held by Dr. Reid Reale and Dr. Roger Adams.

9. Assessment and Exam

- ISSN-SNS Online Exam:

ISSN-SNS
Certificate example

- Questions:** 10 – 15 questions at the end of each module.
- Passing Score:** 75% or above in each of the exams.
- Exam Results:** The exam results will be released immediately after the completion of the module exam.
- Exam Redo:** Students will have 2 chances to take the exam.

- **ASNC – Advanced Sports Nutrition Certificate:**

- 1) **Preparation of Study Report:** Within one week after the on demand content, students need to prepare their own study report, which including two parts: the formulation of sports nutrition plan creation and presentation of the sports nutrition plan. Please make sure the sports nutrition plan is created in Microsoft Power Point format.
- 2) **Presentation of Study Report:** An online presentation of the study report will be held, each one has up to 10minutes to present their report, the lecturer will give criticism on everyone's plan. The results of the study report will be sent by email, together with the digital version of the ISSN-SNS certificate and the ASNC certificate. Your CEC report information for approved organizations will be sent via email.

Your criteria and assessment for the practical presentation will be graded on these 5 elements with a mark of 20% grade per category:

- Overall Knowledge of the Subject – 20%
- Accuracy of Knowledge – 20%
- Integrity of Plan – 20%
- Presentation Skills – 20%
- ISSN Position Stand & Scientific Terms Used -20%

10. Successful Students

The students who have passed the assessment successfully will obtain the certificate of "ISSN-SNS Sports Nutrition Specialist Certification" and "ASNC Advanced Sports Nutrition Certification".

The certificates will be sent after the membership account of the ISSN is created. The digital certificates will be sent by e-mail with the login information of the ISSN membership account. (Note: in order to ensure that the information on the certificate is correct, please make sure that the name you provide is the full name). The CEC continuing education credit information of the course will be included in the same email as well.

From GPNI® and ISSN we wish everyone good luck!

Thank you for choosing the GPNI® to launch your sports nutrition career!

Online Course Platform Direction

Live Platform: Skype Classroom or Zoom

Dear Students,

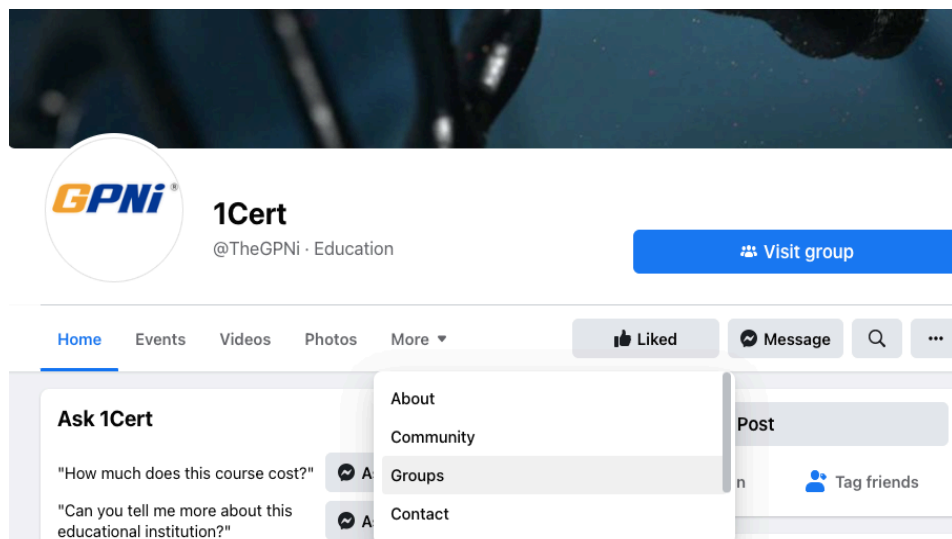

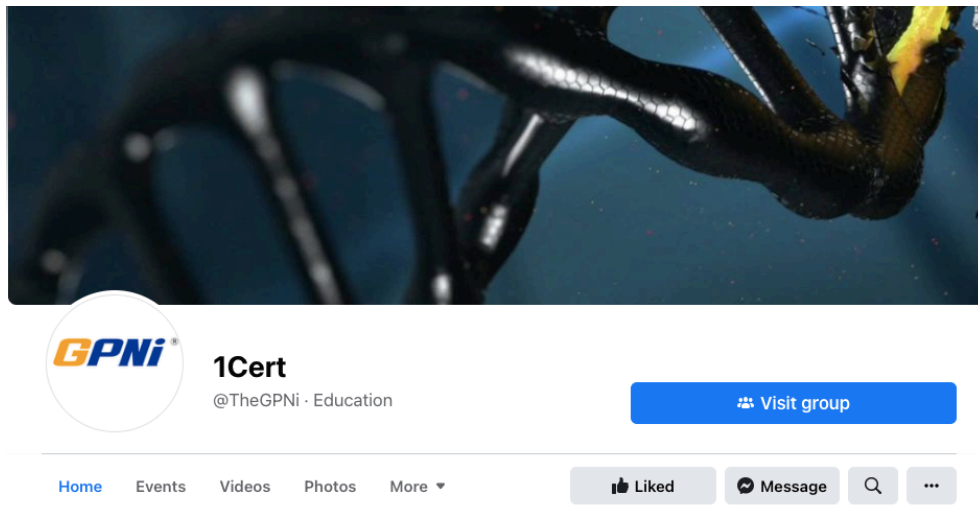

Welcome to ISSN-SNS “Access to experts” with lecturers Dr. Reid Reale & Dr. Roger Adams. You will need to have a Skype/Zoom account already registered, however all sessions will be recorded and access to the recorded file will be later available on the Private Facebook Group. We suggest you to-watch the live stream via computer vs. phone for a more interactive and better experience. If you do not have access to Facebook, or an account you will need to create an account and get access prior, this is your responsibility, however we can help out on some direction if this is a problem.

There are two entry points, with the same feed to watch, interact with the class. The first is Facebook private group, the second is via Skype/Zoom which will make for a much more dynamic “classroom” experience and recording features.

The recorded file will automatically available on the Facebook Private group ISSN-SNS “Access to experts” with lecturers Dr. Reid Reale & Dr. Roger Adams after each class session. An edited recorded version will be available in a few days after the class and available on a separate link for those wishing to review and watch.
