

Adult CPR & AED (Refresher)

Help to Save Life

Course Overview

This is a refresher course for current FEA CPR & AED certified candidate who needs to renew their CPR certificate. Pre-reading materials including course manual and educational videos will be sent once registration is confirmed. Candidates are required to complete pre-reading materials prior to attending the refresher course. On the course day, educator will briefly demonstrate the CPR steps and allow candidates to practice, followed by the live skills check. Successful candidates will receive a renewed certificate.

Course Highlights

- Easy to follow, step by step guide to perform CPR according to the AHA standards
- Learn CPR in the easiest, most fun, effective yet impactful way
- Hands on practice on CPR manikin and AED training kit

Why Should You Consider This Course?

- To renew your CPR certificate

What Are the Topics Covered?

- Refresher on CPR guidelines
- Using an AED
- Live skills check

Who Will This Benefit?

- FEA CPR & AED certified individuals who wish to be recertified

Pre-requisite

FEA CPR Certificate

Course Provider

Fitness Edutraining Asia (FEA)

CEC Points

ACE 0.2 CECs

Note: For ACE recertification, certified professionals will be granted 0.4 CECs for holding a valid CPR & AED certificate. You will earn additional 0.2 CECs by using the CEC number printed on the certificate. However every CEC number can only be used one time only.

Course Duration

The refresher course is 1.5 hours which includes:

- 15 mins of brief demonstration
- 15 mins of practice time
- 1 hour of 1-1 live skill check (evaluation)

Participants will need to study the pre-reading materials before attending the refresher course.

Fitness Edutraining Asia (FEA)

Learning Materials

Digital course slide handouts

Awards

Upon meeting all requirements of this workshop/course, you will be awarded a Certificate of Successful Workshop/Course Completion.

Requirements are as such:

- full attendance
- completion of workshop/course
- passing all evaluations

Grading Criteria

The instructor will provide a live skills check; participants are required to demonstrate primary care skills, based on pre-set scenarios.

Each participant is allowed two attempts to pass the CPR live skills check. Should you not meet the requirements, a retake fee of RM100 is required to enroll in the full course and undergo evaluation once more.

Recertification

This certification is valid for 2 years

Exam Fee

Retake fee: RM 100 (USD 25)

Course Capacity

A minimum of 6 pax and a maximum of 16 pax

Language

English, Mandarin
